Closed session was moved to February meeting so that all board members could be present.

Road report was read by Debbie Tretsven – Clerk. There have been 23 fire number signs requested so far. Will wait until the end of February to submit the order.

Replaced the starter and fuel filter on the one ton truck, so that is running good now.

Have used half the salt/sand for the winter so far. Chris put down 7 loads of sand last week to get the roads opened up. He is hoping they stay pretty good with the warmer temperatures and no huge snow amounts in the foreseen future. We have had a lot more snow this year than last, which has contributed to the use of more fuel and salt/sand.

Bills were presented and approved for payment. Correspondence was reviewed and discussed.

Bruce Paulsen made a motion to adjourn the meeting. Mark Johnson seconded the motion: Meeting adjourned.
